

April Bords Maghuyop Nerosa

Davao City, Davao del Sur, PH | +63 9182252580 | aprilbords.n@gmail.com | [GitHub](#) | [LinkedIn](#)

OBJECTIVE

I'm a Computer Science student who enjoys building websites and apps, and I'm always eager to learn new things about technology. My goal is to gain real-world experience where I can apply what I've learned in school and personal projects, while also improving my skills in programming and software development. I'm excited to contribute to a team, take on challenges, and grow as a developer.

EDUCATION

The University of Mindanao <i>Bachelor of Science in Computer Science, Major in Cybersecurity</i>	Aug 2023 – Present
Nikkei Jin Kai International School <i>Science, Technology, Engineering, and Mathematics Strand</i>	Aug 2021 – July 2023
Davao City National High School	May 2017 – April 2021

SKILLS

Languages: JavaScript, TypeScript, Java, Python, PHP, C, SQL, HTML/CSS

Skills: Object-Oriented Programming, REST API Design and Integration, UI/UX Structuring, Database Design, Agile, Version Control

Tools: Node.js & Express.js, React.js, Next.js, Electron, Tailwind CSS, Prisma ORM, Git & GitHub, Postman, Figma, Laravel, Docker

EXPERIENCE & PROJECTS

Backend Engineer – UMAAttend Attendance Management System [Live Site](#)
Technologies: Express.js, TypeScript, Prisma ORM, PostgreSQL

- Developed backend services for UMAAttend, a real-time attendance system for the University of Mindanao's intramurals event.
- Managed data with PostgreSQL and Prisma ORM, ensuring efficient and scalable storage.
- Collaborated with frontend and full-stack developers to ensure system performance and integration during high-traffic event periods.

Full Stack Developer – ProjektManga Manga Reader
Technologies: Next.js, Express.js, Prisma ORM, TypeScript, Electron, Tailwind CSS, MySQL

- Developed a cross-platform manga reader desktop app.
- Implemented local database storage for offline reading.

CERTIFICATES

Information Technology Specialist in Network Security – Certiport (March 2026)

Information Technology Specialist in Databases – Certiport (March 2025)

Information Technology Specialist in Java – Certiport (March 2024)

EXTRACURRICULAR ACTIVITIES

Hack4Gov Participant (Regional)
Cybersecurity Competition Organized by DICT - October 2025

- Secured 2nd runner-up in the regional round of Hack4Gov 2025 as part of a 4-member team.
- Solved real-world government security challenges in a CTF-style competition, focusing on **web exploitation**, **digital forensics**, and **OSINT**.

Tech Committee Member
University of Mindanao Student Developer Community (UMSDC) | August 2025 – Present

Tech Committee Member
Junior Blockchain Education Consortium of the Philippines (JBCEP – UM Davao) | August 2025 – Present

Tech Committee Member
University of Mindanao Enigma | August 2024 – July 2025
